Keeping Our Guests, Community, and Employees Safe

We are excited to celebrate our 75th anniversary all season long and keep you safe during COVID-19. Please keep in mind, masks are required in all indoor locations, including ticket offices, on-mountain restaurants, gondola cabins, as well as in gondola lift lines across our four mountains, regardless of vaccination status. Let's work together to keep our lifts spinning and mountains open.

The Aspen Snowmass App will give you access to everything you need to enjoy your trip. Purchase lessons and rentals, sign waivers, and access in-App rewards. Favorite App features include tracking skier days and bowl laps, checking snow reports, weather, parking lot status, and more.

Download the app at:
